Homelessness
has no label,
Many women
can change their
faces to overcome

their environment.
Just because we
may sleep rough
-date or hide our

circumstance from you doesn't mean
we don't meet the criteria of homelessness
duty!

Every woman who is without a home,
will create one wherever they go,
we live in a home without a roof
or walls.

Time passes differently
when you are
homeless

A day in my Life!

Personally this is how i start,
Start with a good cry,
followed by a good belly laugh!
This goes with the help of my
LITTLE CURSE! A DRINK!
Obviously, i would not advise the

DRINK! LOL!!

I would advice take 1 step at the time,
I would say try your best, the rest will follow!
Live with Good Karma!

Always walk the same Route,
OR i feel i lost balance!

Creature of habit!

Another one of my Quirks!

While walking, Rules!

- Dont step on 3 drains
 - Do not walk under Red Signs
 - Salut if you see 1 maghyeye
 - if you see two, quote the Ryme!
- A Day of Good Luck!
