

Rough Sleeping 2026

Discover more about our sponsors!

With thanks to our funders and sponsors

Ministry of Housing,
Communities &
Local Government

A chance for conference attendees to discuss opportunities available through the [Ending Homelessness in Communities Fund](#).

We would particularly encourage Homeless Link members to work with their local authorities to explore the delivery of “community networking” support that prevents returns to rough sleeping and homelessness once people are accommodated, helping people re-build their lives by creating connections to the places where they live.

There will also be an opportunity to discuss practical questions and queries regarding the application process.

Please visit the MHCLG in the exhibition and meet with Jacob Dimitriou, Faith and Communities Rough Sleeping Adviser and Tom Preest, Head of Rough Sleeping Adviser Team.

The Housing Network

The Housing Network (THN) is proud to sponsor and exhibit at this year's Homeless Link Rough Sleeping conference. We are a national provider of quality, person-centred accommodation and support services, working in partnership with local authorities, commissioners, and third-sector organisations across the UK. Through our innovative housing and support models – including the Active Opportunity Pathway (AOP) – we help people with complex needs move from homelessness or instability toward independence and sustainable living. Our approach is grounded in collaboration,

Homeless Link

compassion, and continuous improvement. We prioritise creating safe, supportive environments that empower residents to rebuild their lives, develop essential life skills, and achieve their personal goals.

At The Housing Network, we provide #MoreThanARoof – delivering meaningful outcomes for individuals, communities, and partners. Visit us at our exhibition stand to learn more about our services, partnership opportunities, and how we can work together.

360 Services supplies a diverse spectrum of safeguarding, security and concierge services. We are committed to delivering a complete 360-degree outsourcing service, ensuring the safety, maintenance, and uninterrupted operation of our clients' properties by also undertaking many of their facilities' needs - including cleaning, bulk rubbish removal, CCTV and minor building works. Whether safeguarding your night shelter, homeless project or temporary accommodation, having a reliable partner that can provide you with both emergency and longer-term is paramount. We have worked closely with several housing providers including St Mungo's, P3, West Berkshire Council, Look Ahead, Homeless Oxfordshire, Housing 4 Women, Church Army, YMCA Together and Solace Women's Aid. We welcome the opportunity to speak with any potential clients in the Homeless or Temporary Accommodation Sectors who require more detail on the range of services that we can provide.
