Main Grant Round 4	Crime Reduction Initiatives (CRI)	Eastern European Nationals Homelessness Project	The project will provide a language specific assertive outreach, assessment, casework and reconnection service to EU Nationals in Cambridge, Fenland, East Cambridgeshire and Forest Heath. Three workers who speak Eastern European languages will support clients with accessing accommodation, welfare benefits, primary care, alcohol/substance misuse treatment and support those not exercising their treaty rights to return home. The funding will cover staff salaries, project costs including an allocation for reconnection and management overheads.	East England	Cambridge, Fenland, East Cambridgeshire, Forest Heath	£144,755										1	
Main Grant Round 4	Praxis	Street Legal (East)	The project will provide dedicated expert immigration advice to new and longer-term rough sleepers and those hidden homeless who are on the cusp of rough sleeping with no recourse to public funds. It will work with NSNO South Hub and NLOS Shelter to provide 2nd Tier assessment and advice and outreach teams in the London Boroughs of Lewisham, Southwark, Tower Hamlets and Hackney. A referral system will be developed and joint-working implemented. This will be supplemented with interim accommodation of up to 3 months as a way to stabilise clients whilst progressing/resolving complex immigration cases. The project is a partnership between St Mungo's and Praxis Community Projects. The funding will be used to employ one OISC-level 2 Immigration Caseworker and two Outreach/Case worker.	London	Lewisham, Tower Hamlets, Hackney, Southwark	£132,270					1					1	
Main Grant Round 4	Healthy Living Projects	Step Forward	The project will reduce numbers of Central & Eastern European (CEE) rough sleepers in Redbridge by 80% in 12 months, through a partnership between Healthy Living Projects (HLP), Barka UK and Redbridge Housing. The project will target the rising number of CEE rough sleepers representing 40% of those accessing services at the Welcome Centre in Ilford. It will prevent people returning to the streets by means of prevention, prompt reconnections, accelerated English classes and back-to-work programmes by employing staff skilled in these areas. Those who have the potential and right to work in the U.K. will be fast tracked through the programme. This will include Motivation, Education, Training & Employment workshops. Those who wish to return to their own country, will be returned through social and vocational reintegration programmes in their country of origin, The funding will cover staff salaries - including two peer leaders from Barka, direct costs and overheads	London	Redbridge	£105,000									1	1	
Main Grant Round 4	Lift People	East European Peer Navigation	East European (EE) migrants at risk of homelessness will act as peer navigators to help other EE migrants to access mainstream support that can help them to avoid homelessness, working alongside reconnections services. A project manager will train, support, and supervise peer navigators; a coordinator will increase the capacity of an advice service for EE migrants. EE migrants, disproportionately represented among rough sleepers (28% of rough sleepers in London) aren't accessing mainstream support. The project will also help mainstream homelessness and frontline services gain the capacity to better support EE migrants and understand the issues they face. The grant will pay for staffing and associated costs.	London	Brent, Hammersmith & Fulham, Kensington and Chelsea, Ealing, Hounslow, Hillingdon, Harrow, Westminster	£139,180											1
Main Grant Round 4	Barka UK	A Positive Journey	The project will target the rising number of CEE rough sleepers who represent as much as 30% of the total number of rough sleepers in some of the participating boroughs. This will be achieved by a 2 pronged approach: By appointing two Outreach Teams, the project will reconnect rough sleepers (including the long-term homeless) into social and vocational reintegration programmes in their countries of origin, and to their families. One of the teams will have a Romanian assistant in order to address the needs of Romanian travelers. The Barka and other partnering communities will provide stability and support where individuals will be able to engage in programmes that will lead to re-integration into their own society. By referring eligible clients to Barka UK Social Economy Centre (SEC) Work Programme to enable those who wish to succeed in the UK to prevent them returning to the streets. The funding will be used to cover 1 team leader and 1 assistant as well as a contribution to the cost of the project coordinator, plus associated project costs of travel, documents, repatriation costs and accommodation. North London Homelessness Partnership is contributing further costs.	London	Barnet, Camden, Enfield, Islington, Haringey, Westminster	£90,160											1
Main Grant Round 4	YMCA Bedfordshire	Needs for Accommodation	The project will provide support and resettlement for 50 prison leavers with no fixed abode, who have a clear connection to Bedford and have drug and/or alcohol issues. This is a partnership project between YMCA Bedfordshire who will provide and fund short stay accommodation for clients and Westminster Drug Project (WDP) who will provide and fund treatment options. The project will be delivered by 2 full-time members of staff, a Resettlement and Re-Integration Worker will be employed by WDP, and a Support Worker employed by YMCA Bedfordshire. The workers	East England	Bedford	£91,413			1	1							
Main Grant Round 4	YMCA Derbyshire	Safe Choices	'Safe Choices' will provide safe housing options for young people aged 16-18 (and up to 25 depending on need) whilst they are supported into longer-term accommodation. A team of 4.5 FTE staff will provide clients with access to appropriate accommodation which could be crash pads, Nightstops or supported lodgings within a host household; assessment, placement and support planning; mediation; access to training; and support with moving on. Additionally, working in partnership with Safe and Sound, a leading agency in the field of child exploitation, it will support young people to minimise the risk of being exploited or further exploited. The funding will cover staffing costs, volunteer host expenses, mediation fees, training and recruitment and other direct project costs	East Midlands	Derby, Amber Valley, Erewash, South Derbyshire	£145,450		1									
Main Grant Round 4	The Connection at St Martin-in-the-Fields	Hot Spot Minimisation Programme	The project will reduce rough sleeping in Westminster through the dispersal of rough sleepers from 10 identified hotspot sites situated on private land. Two full-time Community Liaison Workers will work in partnership with other agencies to provide an assertive outreach and casework service to 60 entrenched rough sleepers on these sites, many with multiple complex needs and up to a further 60 who are new to the streets and are attracted to existing hotspot sites. The funding will cover the salary costs of the two workers, client costs, and staff travel.	London	Westminster	£92,964					1

Main Grant Round 4	CAYSH	Crash Pad	This proposal is for a safe, emergency 24-hour accommodation project delivering 6 beds per night for men & women aged 18-25 at risk of rough sleeping. It will provide a safe place to call home for maximum 14 nights, comprehensively assess their needs & agree an initial support plan that includes placing them in safe, suitable accommodation & signposting to specialist services. Young people sleeping rough in the Borough of Croydon continues to increase. The funding will cover salaries, direct project costs and overheads.	London	Croydon	£148,622		1								
Main Grant Round 4	Bench Outreach	Bench Outreach	The project is a pilot 'Housing First' project. 12 people who have experienced repeated periods of homelessness due to personality disorder, psychosis, chaotic substance use or emotional disturbance will be housed in one-bedroom flats. Clients will be supported to sustain their tenancies by a team of Peer Mentors who themselves have experienced homelessness and used treatment services. The funding will cover the salary costs of a part-time Project Manager Peer Support Workers, Service User expenses, other project operational costs and contribution to management costs.	London	Lewisham	£128,057		1								
Main Grant Round 4	Anchor House:	Rough Sleeping Project	The project will seek to co-ordinate the provision of services for new and entrenched rough sleepers in Newham. The project is a formal partnership with Thames Teach (London Street Rescue). Jointly, they will develop a homelessness pathway in the borough, providing an outreach, assessment, casework reconnection and move-on services. Assessment beds will be provided within Anchor House. There is currently no co-ordinated activity for this client group within Newham. The funding will cover salary costs of a full-time Accommodation Link Worker, London Street Rescue Relief Hours, part-time Anchor House Project link hours, accommodation and support costs for 35 clients, reconnection work costs, other client costs and management fees.	London	Newham	£150,000	1									
Main Grant Round 4	Housing Justice:	Project 4	The project will establish a development programme for Faith-based Night Shelters in London, which will improve services for rough sleepers accessing shelters, build more effective partnerships with commissioned services and NSNO hubs. Housing Justice will be working with 13 faith-based Night Shelters from 12 London Boroughs, all with high incidences of rough sleeping and with insufficiently developed shelter capacity during the 12 month pilot. The project will facilitate a network of mutual learning and peer support, using action learning sets and provide additional support to Night Shelters to more effectively tackle rough sleeping among CEE nationals. It will roll out the Housing Justice Night Shelter Quality Mark (HJQM) encouraging all shelters towards best practice and ongoing 'quality control'. The Action Learning Sets are developed in partnership with Shelter co-ordinators. The grant will pay for Project Coordinator, QM Developer, training costs, as well as contribute to overheads.	London	Westminster, Camden, Islington, Ealing, Newham, Brent, Hackney, Hounslow	£92,400					1					
Main Grant Round 4	Clean Slate Training & Employment:	HandyHelp London	The project will support a new enterprise creating paid work for up to 15 homeless people and opportunities for 20 more, and to engage 120 in training. Working with social landlords, The project will work together with St Mungos and Thames Reach (and with other homelessness agencies) to provide employment to jobseekers who are currently, formerly or at risk of rough sleeping. Its (informal) 'partners' run training courses in construction and maintenance trades but are currently unable to support their clients to get jobs in the open market. HandyHelp will step in and provide a service by acting as an 'employment agency' with links with potential employers, primarily in the construction/maintenance area. grant will pay for two staff, associated costs and an evaluation.	London	Westminster, Lambeth, Southwark, Lewisham, Camden, Tower Hamlets, Hackney, Greenwich	£68,500					1	1				
Main Grant Round 4	Stonewall Housing	Supporting LGBT Rough Sleepers	The project will be supporting NSNO services to be more aware of the needs of Lesbian, Gay, Bisexual and Transgender rough sleepers. It will deliver an LGBT Awareness Programme to NSNO organisations in London, Brighton and Manchester, which involves facilitating focus groups with staff and service users about their experiences of services, training outreach workers and other front line staff about the unique issues that LGBT rough sleepers face and reviews of policies and procedures. A report with recommendations for all agencies working with rough sleepers will be produced so that the quality of outreach work will be improved and the services offered to LGBT people will appreciate their specific needs. Fewer LGBT rough sleepers will return to the streets. The grant will cover a Project Coordinator, and associated volunteer, meeting, marketing and overhead costs.	London, South East, North West	Barking & Dagenham, Brighton, Manchester	£65,652	1				1					
Main Grant Round 4	Aquila Way	Basis	The project will reduce the numbers of ex-rough sleepers returning to, or arriving on the streets because their housing is at risk. The project will target 100 of the organisation's clients who revolve in and out of services and support them to maintain their tenancies through the provision of a Detached Service. Two Detached Workers will provide one-to-one personalised support to clients which will include advocating on their behalf, accompanying them to appointments to drug & alcohol, housing, benefits and other services, providing bills and budgeting advice, conflict resolution and negotiation with landlords. The funding will cover the salary costs of the two workers, client costs, project overhead costs (staff travel and subsistence, office costs and merger costs as part of the exit strategy). Main Grant Round 4	Stonham	Tyneside Foyer	The project will provide emergency bed spaces to people aged 25 and under and the provision of support services to help them move onto more stable accommodation. Young people are a growing constituency of 'returners' among rough sleepers in Newcastle. Homelessness and youth services report they are not engaged by existing rough sleeping initiatives. The project will better identify rough sleepers, and those at risk of rough sleeping. It will ensure immediate access to accommodation and holistic support is delivered at the flagship city centre Tyneside Foyer service. It will support clients to move on to stable accommodation, ensuring they do not return to the streets. Clients will receive a personalised support offer, which could include: practical help to access PRS; packages of specialist support for specific needs; vocational qualifications at Foyer training centre; employment in our new training café; a shared tenancy brokering/support service. The funding will cover salaries including a cafe manager, personalisation budget and training opportunities, and overheads The City Council's Supporting Independence Scheme has pledged match funding.	North East England	Newcastle upon Tyne	£127,000		1					1			
Main Grant Round 4	700 Club	700 Club	Funding will be directed towards the development of a 14 beds, short stay, transitional housing unit for those who are currently either rough sleeping or in B& B accommodation. It provides the NSNO solution through accommodation that will be staffed 24/7 and which will cater for chaotic and complex need individuals of either sex of 18+. The initiative has been prompted by the observation that clients who enter our longer term supported accommodation and floating support services have deteriorated significantly while awaiting placement. the grant will pay for staffing and support	North East England	Darlington	£82,500	1									
Main Grant Round 4	Riverside Group	NSNO Salford	The project will incorporate support workers (80% of clients) and a through the gate service, Gate Buddies, for offenders (approx 20% of clients) into NSNO in Salford. NSNO workers will be linked to 15 units of accommodation. The support workers will assist new rough sleepers off the streets immediately into accommodation. Once clients are in NSNO accommodation, the workers will produce a reconnection plan or a move on plan. Gate Buddies will be a peer lead volunteer service. The Buddies will be ex-offenders who lead a more settled lifestyle. The Buddies will meet the offender in prison and offer mentoring through the gate into the community. They will work closely with the NSNO support workers to ensure no-one should arrive on the street. Funding will cover The funding will contribute to salary costs of an Area Manager Team Leader and pay for support workers, a Gate Buddy Volunteer Coordinator and GROW Trainee as well as recruitment, volunteer expenses, specialist training, and evaluation	North West England	Salford	£150,000	1		1							
Main Grant Round 4	Wirral Churches Ark Project	People First	The project will support 230 homeless clients/those at risk of homelessness due to mental health issues. A team of Mentors with lived experience of homelessness and mental ill health will work in collaboration with housing and support providers to enable clients to achieve personal, social and employment goals. All clients will undergo a psychological and financial assessment and individual plans will be developed with the peer Mentors playing a pivotal role in ensuring that clients attend health and other appointments to help avoid evictions due to behavioural issues. The funding will cover the salary Peer Mentors a Sessional Psychologist, admin support, direct project costs (staff travel, telephone), training and external audit. Cheshire and Wirral Partnership NHS Foundation Trust will match fund the project for a Mental Health Nurse.	North West England	Wirral	£150,000							1			
Main Grant Round 4	P3	Slough Navigator	The project will set up and deliver a new NSNO Hub in Slough. The Hub will bring together a range of partners who will provide an assertive outreach, assessment and casework service. Clients will be supported to access emergency accommodation in the first instance and subsequently longer term accommodation. They will be supported to access other critical services such as health, addiction and those at risk of eviction will receive tenancy sustainment assistance. The funding will be used to cover the salary costs of a part-time Manager, 1 full-time Support Worker, 1 part-time Support Worker, agency staff, staff training, client costs, project set-up costs	South East England	Slough	£147,098	1									
Main Grant Round 4	Equinox Care	Equinox Care: Brighton	The project will help rough sleepers in Brighton, many of whom have complex multiple needs particularly around alcohol, drugs and mental health. They will receive regular flexible specialist support helping them stay in accommodation and move on from the streets into stable living. It will also improve access to preventative services to prevent people reaching the street. Using a small team of hostel liaison workers who will work to a preventative brief the work will include engaging and working with people in hostels who are at risk of/have histories of, street drinking, evictions and rough sleeping. This work will be linked to Equinox's new street count research post in Brighton. The team will use a small 'Personalised' budget to facilitate access to meaningful day structure (e.g. exercise, voluntary work, education etc.) as an alternative to street drinking. The funding will pay for three hostel link posts together with management costs for the project.	South East England	Brighton & Hove	£96,075				1						
Main Grant Round 4	Broadway Homelessness and Support:	Oxford Personalisation Project	NSNO Oxford has been operating for a year. In Oxford NSNO works with all rough sleepers, offering them a place in the hub, a single service offer and supporting them with reconnection when appropriate. However, there are a group with long histories of rough sleeping, who tend to refuse offers of accommodation or who are unable to sustain it. This project will enable this group to move away from the streets through the principles of personalisation. The project will involve offering entrenched rough sleepers a personal budget to purchase the products or services they believe will assist them to move from the streets. A project coordinator will be employed to assist clients to formulate an action plan to achieve their move into accommodation and to use their personal budget. The coordinator will work closely with partners to ensure accommodation is sustained and progress away from rough sleeping is maintained. The grant will pay for the co-ordinator, personal budgets for 15 clients and management costs.	South East England	Oxfordshire	£83,772							1

Main Grant Round 4	Elmbridge Rentstart:	Homeless Outreach Support Team	The project will target hidden homeless and rough sleepers and aims to support a minimum of 40 rough sleepers in 12 months. The project sees both known rough sleepers and people new to the streets. Many have additional issues with alcohol, drugs or mental health problems. They will work across three boroughs in North Surrey, actively promoting the use of Streetlink. Rentstart aims to fill a gap by providing speedy outreach to newly homeless people, placing them into temporary sharers housing, then into their Rentstart programme whilst matching them to the best property for their needs and providing support (avoiding hostels). Entrenched rough sleepers are given same day transport to hostels and helped to access rented accommodation when they are ready. They are helped to specialist medical and other care and encouraged to reengage with rented accommodation. The grant will pay for two outreach workers and associated costs.	South East England	Elmbridge, Spelthorne, Runnymede	£58,300	1									
Main Grant Round 4	St Petroc's Society:	Cornwall Together	In Partnership with Cornwall Housing the Society is seeking to contribute to NSNO in Cornwall. It will establish a 3 day emergency sit-up service and intensive assessment and support to enable rough sleepers to progress away from the streets. The project will also provide advice to people at risk of homelessness through a telephone advice service. The grant will pay for three assessment and resettlement workers, some resettlement costs for clients and overheads. Cornwall Housing in contributing to the project costs.	South West England	Cornwall	£149,600	1									
Main Grant Round 4	Caring at Christmas	Bristol Nightstop	Bristol Nightstop provides key worker support and free emergency accommodation, one night at a time, in the homes of vetted hosts, to young people aged 16-25 who are at risk of homelessness or who are sleeping rough. In February we became a Depaul Nightstop UK accredited project. The project shares an office with YMCA and delivers key worker support in the YMCA café at the Station in the centre of Bristol and with Kids Company at their daily drop in. 70% of the young people that the project has worked with have slept out, sofa surfed or both. The grant will enable the pilot project (which was supported by an HTF grant) to be delivered on a full time basis in 2014. The grant will pay for 3 full time posts, increase referrers to cover all services in the city and increase the host network up to a minimum of 20 households.	South West England	Bristol	£115,075		1								
Main Grant Round 4	St Basils	Duty and Crisis Project	The Duty and Crisis project to meet the gap where young people are waiting for housing. It will work with at least 220 young people and be the first point of contact to ensure they receive support in finding a home or preventing them from becoming homeless by working with them and other appropriate services to find the best housing solution. The young people will be able to access the Positive Pathway that St Basil's are currently developing providing positive accommodation and support pathways to adulthood. The funding will pay for salaries for 3 Duty and Crisis project workers, contribution to an admin worker salary, client costs, project costs and management costs. Main Grant Round 4	St Peter's and St James Parochial Church Council:	St Peter's Winter Shelter	The project provide a full year-round outreach service across Herefordshire, which is currently not available. The proposed project will work with rough sleepers to identify and respond to each person's accommodation and support needs. Many have substance misuse and dual diagnosis issues and the increasingly identified entrenched rough sleepers. The proposal will support the implementation of proposed NSNO model which is currently under development. The funding will provide two outreach workers, funding for an emergency winter provision and an enabling fund to assist rough sleepers into accommodation.	West Midlands	Herefordshire	£130,100	1									
Main Grant Round 4	Hope Housing	Assessment Hub	The project will support the development of an Assessment Hub. Rough sleepers will be provided emergency accommodation; undergo comprehensive assessments from which personalised support plans and packages are agreed; and supported to access critical services and longer term accommodation. It would also enable Hope Housing to provide personalised support to long term rough sleepers and be a fresh approach at engaging them with other support services. The emergency accommodation will be provided through either the organisation's network of volunteer hosts, in a limited number of on-site rooms for higher risk individuals or with a partner agency. The funding will cover the salary costs of a part-time Project Manager (3 days pw), 2 full-time Support workers, Night Staff, client support costs, Assessment Hub premises' costs and contribution to management fees.	Yorkshire & Humber	Bradford	£140,000	1									
Main Grant Round 3	St Johns Housing Trust	St Johns Housing Trust	The Bridge Project will contribute to NSNO by providing emergency accommodation with support to help people off the streets and into housing. It will act as an assessment hub and connect people to services appropriate to their individual needs to ensure that they receive support that will enable them to live as independently as possible and not return to rough sleeping. The funding will pay for 2 full-time outreach workers and a full-time outreach coordinator.	East England	Waveney	£82,931	1									1
Main Grant Round 3	Riverside ECHG	Derby/ Derbyshire Outreach	This project will aim to significantly reduce the levels of rough sleeping by improving the identification of rough sleepers through assertive outreach, advertising and the operation of a 24/7 telephone helpline. A hub will operate 24/7 to accept referrals at a direct access hostel where sit-up and emergency beds will be provided. Follow-on beds will also be available to prevent a return to the streets. The funding will cover the costs of five members of staff (including three Outreach workers and a hub worker) and volunteer costs, together with personalisation budgets for the clients.	East Midlands	Derby, Amber Valley, Bolsover, Chesterfield, Derbyshire Dales, Erewash, High Peak, South Derbyshire	£200,000	1						1			1
